

## A Coronavirus Prayer

Jesus you traveled through towns and villages “curing every disease and illness.” At your command, the sick were made well. Come to our aid now, in the midst of the global spread of the coronavirus, that we may experience your healing love.

Heal those who are sick with the virus. May they regain their strength and health through quality medical care. Heal us from our fear, which prevents nations from working together and neighbors from helping one another. Heal us from our pride, which can make us claim invulnerability to a disease that knows no borders.

Jesus, healer of all, stay by our side in this time of uncertainty and sorrow. Be with those who have died from the virus. May they be at rest with you in your eternal peace. Be with the families of those who are sick or have died. As they worry and grieve, defend them from illness and despair. May they know your peace. Be with the doctors, nurses, researchers and all medical professionals who seek to heal and help those affected and who put themselves at risk in the process. May they know your protection and peace. Be with the leaders of all nations. Give them the foresight to act with charity and true concern for the well-being of the people they are meant to serve. Give them the wisdom to invest in long-term solutions that will help prepare for or prevent future outbreaks. May they know your peace, as they work together to achieve it on earth.

Whether we are home or abroad, surrounded by many people suffering from this illness or only a few, Jesus, stay with us as we endure and mourn, persist and prepare. In place of our anxiety, give us your peace. Jesus, heal us.

### **Pray for medical professionals, caregivers, researchers, and leaders responsible for decisions about fighting the new coronavirus**

Father, we seek Your wisdom daily. Be with people making decisions that affect the lives and futures of our families, communities, countries, and the wider world. Inspire and invigorate people developing better tests to diagnose the virus, vaccines to prevent it, and protocols and communication to eliminate the disease’s spread. May truth and empathy be the touchstones of people setting policies for our protection. Amen.

## Prayer to Our Lady by Pope Francis

O Mary, you shine continuously on our journey as a sign of salvation and hope. We entrust ourselves to you, Health of the Sick. At the foot of the Cross you participated in Jesus’ pain, with steadfast faith. You, Salvation of the Roman People, know what we need. We are certain that you will provide, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial. Help us, Mother of Divine Love, to conform ourselves to the Father’s will and to do what Jesus tells us: He who took our sufferings upon Himself, and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. Amen.

We seek refuge under your protection, O Holy Mother of God. Do not despise our pleas – we who are put to the test – and deliver us from every danger, O glorious and blessed Virgin.

### **Pray for people who are infected with COVID-19 or facing quarantine**

Jesus, during Your ministry on Earth You showed Your power and caring by healing people of all ages and stations of life from physical, mental, and spiritual ailments. Be present now to people who need Your loving touch because of COVID-19. May they feel Your power of healing through the care of doctors and nurses.

Take away the fear, anxiety, and feelings of isolation from people receiving treatment or under quarantine. Give them a sense of purpose in pursuing health and protecting others from exposure to the disease. Protect their families and friends and bring peace to all who love them. Amen

### **Pray for people at risk of developing the disease**

Dear Lord, we lift to You our concern for people who are more likely than others to become severely ill from COVID-19 — the elderly and people with chronic health conditions. Protect them from harm and be their comfort in this time of uncertainty. Amen.
