Dear Friends in the mission of Our Lord Jesus,

Date 10.12.2020

Happy Christmas,

I would like to take this Christmas season to thank all of you for your support to Jesu Ashram in every way. Thank you.

The year 2020 began with the very good note. 1<sup>st</sup> of Jan 2020 happened to be Wednesday our weekly Leprosy Clinic day. A team of Leprosy outdoor clinic from Jesu Ashram went to accompanied by Dr. Anand Ramesh went for the Clinic. In the history of Jesu Ashram Leprosy outdoor Clinic had never been ever suspended for any reason. However since 25<sup>th</sup> of March 2020 the Leprosy clinic remained suspended at Malaguri Outdoor Leprosy Clinic. Seeing the need of the Leprosy patients we have resumed our Leprosy Outdoor Clinic from 30<sup>th</sup> September 2020 however not in Malaguri but at the main gate of Jesu Ashram.

Training young ladies from poor and underprivileged families for Health work is one of the important mission of Jesu Ashram. This training creates employment opportunity for them.

In 2020, 18 candidate joined for the training, 14 are in 2<sup>nd</sup> year and 12 are completing their trainings. Some of them are already selected for jobs in Health facilities in the city of Siliguri. During this COVID-19 Pandemic, all our students preferred to be in Jesu ashram for the course. Sr. Antonia began the introduction of Nursing, Dr. Louis Tirkey associate Professor of Medical college North Bengal, Sr. Julita Fc., Dr. Pankaj chowdhary and Ancologyist, Dr. Anand, they all contributed in their instruction of the nursing. Last year 12 graduated and except one all are in job.

A Rehabilitation home for Leprosy affected person is completed this year thanks to SOS India Italy for their generous help. The house has four living rooms and a kitchen rooms. In this home 12 destitute Leprosy person can live. The Rehabilitation home has their own running water facility which they will share with the village population where it is built.

COVID-19 Pandemic changed the course of Jesu Ashram's Activities. We could do little medical awareness in Villages and school. Jesu Ashram went out of its way to help the migrant laborers and stranded who were in need of food material in Tea Estate and people with food material. Jesu Ashram helped 1500 families. And along with the cooperation with Religious and Bagdogra Dioceses helped many more.

Jesu Ashram preoccupation was, how to protect 150 inmates, from COVID-19 infection. I failed in it. I myself became the 1<sup>st</sup> victim of COVID infection and soon followed 20 others. Fears of Coronavirus is gone but anxiety to protect rest of the inmate and taking in new patients are challenging ahead of Jesu Ashram. Now I surrender whole Jesu Ashram to Jesus for his protection.

Suzette

Let the Spirit of Love gently fill our hearts and homes. In this loveliest of celebration may you find many reasons for happiness and prosperous New year.
