

Sacraments of Initiation RCIA 2020

Our RCIA Elect Andreas Kunert being Baptised

Confirmation of Andreas Kunert and our two RCIA Candidates Scott Cameron and Katie Hui.

Our parish has been blessed this year in our RCIA journey by three people who chose to become Catholics this Easter; We had one Elect, Andreas Kunert and two Candidates; Katie Hui and Scott Cameron who have walked with us as part of their journeys. In this year of Covid-19 changing social and religious gatherings the acceptance into full communion with the Church for these three people was done with personal distancing in mind and therefore with no Easter Vigil. With the authority given to Father Roger from Bishop Gary, the Sacraments of Initiation were done April 4th in a very small gathering. Andreas Kunert was Baptised and then along with Scott Cameron and Katie Hui were Confirmed. There was then a communion service where all three new Catholics received their First Communion. When we again get to meet as community I encourage all parishioners to introduce yourselves and share your blessings with them.

We thank Bishop Gary for his approval for these Rites to be done in this manner during such a challenging time for all people of faith. We thank Father Roger for his leadership and guidance through the modified Covid-19 rites. We thank God for the loving and open hearts of our three newly initiated Catholics, their spouses, their families and their sponsors.
